

# Certificate

This is to certify that

Łukasz Dubielecki

has taken part successfully  
from 7/06/2018 to 8/06/2018 at the basic course

**for the sonography of the hip; according to the guidelines drawn up  
by the committee for sonography of the DGOT  
(German Society for Orthopaedic and Traumatic Surgery).\***

He/she had sufficient opportunity to familiarise him/herself with the theoretical and practical aspects of infant hips.  
Under supervision he/she has correctly examined, documented and diagnosed 10 infants independently.

After receiving specific theoretical instructions, he/she did tune ultrasonic equipment on his/her own.

\*also conforming to the guidelines of the federal association of doctors affiliated to sick insurance schemes/national health scheme/ in the version dated from 1.4.2009.

.....  
Univ. Prof., Prof. h.c. Dr. Reinhard Graf  
(DEGUM Instructor)
